Congratulations to Mr. Fischer and his staff for the fine work that has been done on this 1954 Glenrocket. You may be justly proud of this fine yearbook.

I know that the students of G.P.H.S. will always enjoy looking through this book and pointing out to friends the various pictures which bring back fond memories in the years to come.

Badger School

National Honor Society

Boys' Home Economics

Boys' Home Economics is an organization dedicated to better ways of living for future bachelors.

Due to their advanced knowledge, the boys are superior to the girls in all things pertaining to home-making.

Among other things, the boys baked the delicious cookies for the National Honor Society party, had a birthday party for their colleague, Mrs. Ford, and also had a banquet at which the honored guests of these supreme chefs were Mr. and Mrs. Fischer, Mr. Moellar, "Alka-Seltzer" Lindsey and "Turns" Mikkelsen.

The boys were also implicated in the famed "Theft of the Cherry Pie" case, in which three individuals, contributing to juvenile delinquency, proved their inability to resist the saucy aroma of the boys' cooking by the theft of a pie.
